UNIFORM POLICY

UNIFORM DRESS CODE

School Council has the authority to create and implement a dress code for students.

It is the policy of Sunbury College School Council that all students wear the school uniform. The current uniform was introduced following extensive consultation with, and acceptance by, the school community.

The uniform dress code will normally apply during school hours and while travelling to and from school.

REASONS FOR UNIFORM

1. Uniform promotes a collective and individual sense of pride in students and a sense of belonging to the school.
2. The majority of parents, when surveyed, have requested uniform. This is a community wide expectation. All local secondary schools have a strictly adhered to uniform policy.
3. Safety and security of students - uniforms provide identification within the school grounds and assist in identifying trespassers.
4. Uniforms are generally more durable, suitable and cheaper in comparison to other forms of dress.
5. Uniforms provide a levelling of dress standard with little or no competition between peer groups over clothing worn to school.
6. The wearing of the sport uniform assists in team spirit and identifies students in inter-school competition.

IMPLEMENTATION OF UNIFORM POLICY

1. It is the task of the Principal and staff to ensure that students comply with uniform policy. It is expected that parents and students will co-operate with the college uniform policy.
2. Excessive amounts of make-up, jewellery and nail polish are not to be worn. (One ring, watch, bracelet, necklace and one pair of earrings are the recommended maximum). Jewellery must be non-prominent.
4. Students not in school uniform must bring a note of explanation including the item/s not worn and the length of the breach. The college reserves the right to send a student home with inappropriate attire and / or to place them in replacement uniform for the day.
5. Parents of students who are persistently out of uniform will be contacted and assistance offered in ensuring that uniform is worn.
6. Graduated penalties in line with the student code of conduct may be applied for breaches of uniform policy but not to the extent of adversely affecting a student's studies.
