

Sunbury College Dress Code Policy

Help for non-English speakers

If you need help to understand the information in this policy, please contact Sunbury College on 9744 1066

PURPOSE

The purpose of the Student Dress Code is to outline Sunbury College's requirements for student dress and appearance, and to provide information about uniform purchase and support, dress code implementation, and exemption processes.

This dress code has been developed by Sunbury College's School Council in close consultation with our school community to ensure that it respects the rights of individual students whilst reflecting the values and interests of our community.

The Student Dress Code aims to:

- foster a sense of community and belonging whilst encouraging students to develop pride in their appearance
- support Sunbury College's commitment to ensuring that our students feel equal and are dressed safely and appropriately for school activities
- enhance the profile and identity of the school and its students within the wider community
- ensure students' appearance reflects the expectations and values of Sunbury College

SCOPE

Students are expected to comply with this Student Dress Code while travelling to and from school, during school hours, and when attending school activities

UNIFORM AND APPEARANCE

Sunbury College has a gender neutral uniform.

General Appearance

While at school, travelling to or from school, or participating in school activities, Sunbury College students must comply with the following:

- the standard uniform at Sunbury College is the full academic uniform

- the full PE uniform is only permitted to be worn on days when practical physical education is timetabled, at interschool sport, and approved practical programs
- a combination of the academic and PE uniform is not permitted
- uniforms must be clean and in good repair
- uniforms should be clearly marked with the owner's name
- alternative uniform options, must be plain in approved school colour, without any brand logo
- additional layers of clothing (not including hoodies) may be worn underneath the uniform for added warmth, provided these undergarments are not visible when external layers of uniform are removed i.e. Sunbury College jumpers, soft shell/spray jackets

Health and Safety

Shoulder length or longer hair is to be tied back during practical Technology and Science classes to ensure OH&S requirements are met.

Jewellery, nails, hair accessories, hat cords or similar items that interfere with students' ability to engage with school activities safely and fully are not permitted. Excessive amounts of makeup, nail polish or jewellery are not to be worn.

As a secondary school, we expect students to take personal responsibility for being sun smart by wearing a school hat during outdoor activities or staying in the shade if they are not wearing sunscreen.

Only Sunbury College approved hats and beanies are to be worn as part of the College uniform. These are not to be worn inside.

PURCHASE OF UNIFORMS

Compulsory and optional uniform items may be purchased from PSW Sunbury during their regular open hours published on the College website.

Parents/carers may order uniform items directly from <https://academyuniforms.com.au/>.

Permitted non-branded uniform items can also be purchased from department stores as outlined in Appendix A to this policy.

The School Council has consulted with the school community and worked to ensure the student uniform is affordable, by including information about acceptable cost effective alternative uniform items. However, if you are facing difficulty meeting uniform costs, the [Help With School Costs and Fees](#) page provides advice on support offered by the Victorian Government. If your child is starting Year 7 and is eligible to receive support via the [Camps, Sports and Excursions Fund](#), you may be eligible to access the Affordable School Uniform program through [State Schools' Relief](#).

Please contact the College Year Level Coordinator or Business Manager to discuss support options that may be available in your situation.

IMPLEMENTATION

Sunbury College will ensure that this Student Dress Code and uniform item list is communicated to all families and students through our website, school diary, and in the enrolment pack for new students. We will assist students who may be experiencing difficulties complying with this policy where possible.

Parents are encouraged to contact the school if their child is out of uniform on any given day, and the student must report to their sub school at the beginning of the day. Students wearing items that are non-compliant may be asked to change into school approved items of clothing provided by the school.

If a student is out of school uniform or otherwise breaches the Student Dress Code, a consequence may be issued as outlined in the Student Wellbeing and Engagement Policy. In this event, the College will continue to work with the student and family to support compliance.

Any measures taken by Sunbury College to address concerns about student non-compliance with the Student Dress Code will also be addressed in accordance with our Student Wellbeing and Engagement Policy.

EXEMPTIONS TO STUDENT DRESS CODE

We acknowledge that the enforcement of this Student Dress Code may impact students differently.

Students and their parents/carers may apply in writing to the Principal for an exemption to this Student Dress Code if:

- An aspect of this code:
 - prevents students from being able to attend school or participate in school activities on the same terms as other students because of their personal characteristics referred to in human rights and anti-discrimination requirements
 - offends a religious belief held by the student or parents/carers
 - prevents students from complying with a requirement of their religious, ethnic or cultural background
- the student has a particular disability or health condition that requires a departure from the Student Dress Code
- the student or their parents/carers can demonstrate particular economic hardship that prevents them complying with the Student Dress Code

When the Principal receives a request for an exemption, they will:

- consider the grounds for the exemption request
- explain the process to the student and/or their parents/carers
- guarantee that issues of a personal nature revealed to substantiate the request will be strictly confidential
- encourage the student or their parents/carers to support their application with evidence

The Principal or delegate will then aim to negotiate a resolution that is acceptable to all parties, including providing advice about support with meeting uniform costs. If an exemption is not allowed, then written reasons will be provided to the student and/or their parents or carers.

CONCERNS ABOUT THIS STUDENT DRESS CODE

Sunbury College welcomes feedback from the school community in relation to this Student Dress Code. If you have a concern or complaint about the Student Dress Code, further information is available in our *Parent Complaint Policy*, available on our [website](#).
